

This disclosure sets out Housing Australia's current compliance position under section 11C of the Freedom of Information Act 1982.

This disclosure log is not exhaustive. For example, it does not include the following:

- documents of a personal or commercially valuable nature released under FOI where publishing that information would be unreasonable
- documents where access has been refused or which are exempt from release under FOI
- documents released outside the FOI framework

FOI number	Release date	Subject of FOI request	Description of information released	Further information
